

FRPC Parish Council for The Farnhams

FARNHAM ROYAL PARISH COUNCIL- GRANTS POLICY

Adopted 26th June 2017

INTRODUCTION

Farnham Royal Parish Council (FRPC) can only make a grant where it has the statutory power to do so. Please see attached list summarising the powers under which a grant could be made. There is no limit on the amount of a grant that can be made in pursuance of a power which has clear statutory authority other than considerations of prudence having regard to FRPC's annual budget and reserves.

If an application is made for a grant which does not fit one of the headings of the attached list then any grant may only be made under S.137 of the Local Government Act 1972. This would not allow a grant to an individual but it could be used to benefit a group of parishioners. There is an annual limit on the total amount that can be granted under S.137. For 2017/18 the limit is calculated as being the sum of £7.57 times the number of the electorate in the parish.

FRPC's awards are open to established voluntary or community groups, as well as new or informal groups of parishioners who are or intend by the date of application to become formally constituted.

The following policy has been adopted by FRPC. FRPC may make the award of any grant subject to all or some of the following conditions. Required conditions will be at the discretion of FRPC and take into account an organisation's individual circumstances.

All groups will be treated equally. If an organisation has had a grant previously, they are not guaranteed to receive financial support again, but are not excluded from applying again. A fresh application will be required each time.

WHO IS ELIGIBLE TO APPLY?

To be eligible for the award of a grant an organisation must:

- be established for charitable, benevolent, social, cultural, recreational or philanthropic purposes;
- have a constitution, or set of rules, which define its aims, objectives and operational procedures;

CONDITIONS OF SUPPORT

- the constitution and/or membership rules should be available for inspection by FRPC. In addition, an organisation must demonstrate that it is properly managed and able to run its affairs responsibly.
- FRPC may ask to inspect the audited accounts or accounts that have been independently examined by a suitably qualified person, for the previous two financial years or, in the case of a newly formed organisation, a detailed budget and business plan.
- An organisation is required to have a bank account in its own name with two authorised representatives required to sign each cheque.
- All applications must demonstrate clearly how a grant will be of benefit to the local community within the Parish.
- Due account will be taken of the extent to which funding has been sought or secured from other sources or own fund-raising activities. Further details of other organisations that may be supportive should be declared to FRPC when the application is made.
- In order to fully understand your project or activity, parish councillors may wish to visit your project or activity, prior to it commencing. They may also wish to conduct a site visit once your funded project is underway.
- As a minimum, you will write to confirm receipt of the cheque for audit purposes.

- Funding must only be used for the purpose agreed with FRPC and if the monies are not spent on the items agreed, they must be returned.
- Funding must be spent within the financial year awarded and cannot be added wholly or partly to your reserves.
- If your project costs are more than you anticipated on your application, any shortfall must be met by you.
- FRPC would ask that you acknowledge its support in your publications, publicity and annual reports.

WHAT CAN BE FUNDED?

- the project should be something which makes the local community a better place in which to live, work or visit;
- it should benefit people who live in the parish;
- there must be clear evidence that local people support the project and are involved in carrying it out;

THE FOLLOWING ARE NOT ELIGIBLE

- support for individuals or private business projects;
- the running costs of any organisation;
- projects which are the prime statutory responsibility of other government bodies;
- projects which improve or benefit privately owned land or property;
- projects which have already been completed or will have been completed by the time the grant is made.
- Organisations or individuals intending to support or oppose any particular political party or to discriminate on the grounds of race, religion, age, gender, sexual orientation, marital status, or any disability. This is in accordance with the duty the Parish Council has to consider the following matters in the exercise of any of its functions: Equal Opportunities, Crime & Disorder, Health & Safety and Human Rights.
- “Upward funders”, i.e. local groups whose fund raising is sent to their central HQ for redistribution.
- Applications will not normally be considered from national organisations or local groups with access to funds from national “umbrella” or “parent” organisations; unless funds are not available from their national bodies or the funds available are inadequate for a specified project.
- Applications from religious groups will be considered where a clear benefit to the wider community can be demonstrated irrespective of their religious beliefs. Compliance with this requirement will need to be demonstrated throughout the project.
- Applications from education, health or social service establishments will be considered where the organisation can demonstrate that it is working in partnership with other groups and where there are benefits to the wider community within the Parish.

HOW WILL DECISIONS BE MADE?

FRPC’s decision will be made at the next available Council meeting following an application and its decision will be final. Unfortunately, FRPC may not be able to fund all projects as there may be more applications than there is money available. However, all applications will be considered carefully. Due account will be taken of the extent to which funding has been sought or secured from other sources or the applicant’s own fund-raising activities.

HOW TO APPLY

Applications should be made in writing. Please apply to the Clerk by letter or email. Please submit information to include items in the following list:-
