

Farnham Royal Parish Council apologises to Councillor Clive Robinson for the distress caused over the past 7 years following his referral to the Monitoring Officer of Buckinghamshire Council and by acting outside of its powers in removing him from his public roles.

23/89/PC Chairman's statement regarding the decision to remove Cllr. Clive Robinson from leadership positions on the Parish Council (18/86.8/PC 25 June 2018)

The Chairman read the following statement: The Parish Council meeting held on 25 June 2018, resolved to remove Cllr. Clive Robinson from leadership positions on the Council - namely as Signage Manager, as chair of the play area working group and as a representative on the Local Area Forum. At the June 2023 Parish Council meeting, it was reported that the Buckinghamshire & Milton Keynes Association of Local Councils had advised that a parish council does not have the power or authority to remove certain roles from a councillor pending the outcome of a complaint for breaching the Code of Conduct. It was further reported that as such the decision taken on 25 June 2018 is not binding and the councillor is free to take up any roles in the Parish Council. For the avoidance of doubt, Cllr. Clive Robinson is free to take up any roles in the Parish Council.

Following the statement, there was a discussion which confirmed that the statement was required to acknowledge a previously invalid decision and clarify the correct position. It was confirmed that appointments would continue to be made following a vote at the Annual Meeting of the Parish Council,

usually held in May.

23/90/PC Matters Arising (not covered elsewhere on the agenda - for information only)

The Chairman advised that prior to the meeting all councillors had been provided with a report detailing the items under this section. The report can be downloaded from the Parish Council website.

90.1 Update on electricity supply

The content of the report was noted.

90.2 Update on meetings with Buckinghamshire Highways

The content of the report was noted. Tony Birkett added that he was rather disappointed as the first meeting had been encouraging but no actions appeared to have been taken. It was confirmed that the next meeting is due to be held on 4 October 2023 and an update would be circulated after the meeting.

90.3 Update on Annual Playground Inspections

Jenny Quilter advised that she had reviewed the inspection reports and there were some amber risk elements of play that had deteriorated since the last annual inspection.

90.3.1 Looking at the playground in Farnham Park Playing Fields, she advised that there are now two moderate risk elements; the basket swing and the flat swings and that these elements should be closed until the remedial work had been carried out. The Clerk advised that the basket swing had been removed whilst the supplier was arranging a new timber to replace the rotten one, so this element was closed. With regard to the flat swing, the Clerk advised that the worn shackles and bushes had been replaced. The Clerk was asked to seek advice from the supplier regarding the condition of the surface.

90.3.2 Looking at the playground at Farnham Common Sports Club, she advised that she would double check the multiplay unit and advise the Clerk of any recommended actions.

90.4 Update on Neighbourhood Plan

The content of the report was noted. There was then a discussion about making the Parish Council's desire to protect the Green Belt more prominent in the full document and the 'bitesize' version being delivered to all homes in the parish as part of the Formal Consultation. It **was agreed** that a short additional statement to reflect this should be included in both documents in an appropriate place.

In addition, it was discussed that all planning applications received, including those within the Green Belt, are reviewed by the Planning Working Group with comments being brought to the Parish Council meeting. The Clerk was asked to ensure that the minutes of Planning Working Group meetings were issued to all parish councillors as and when they are produced.

The Neighbourhood Plan Steering Group was urged to communicate with residents before the 'bitesize' is issued so residents know to expect them in an effort to stop them from being thrown away as junk mail on receipt.

There was then a discussion about the draft policy which proposes the establishment of a 'shared back garden' linking the communities of Stoke Poges and Farnham Common and how it came to be included in the Draft Plan. It was confirmed that the Stoke Poges Steering Group raised the possibility with their consultant who is also the consultant for the Farnhams Neighbourhood Plan. Concern was raised by one councillor that creating a new cycleway, especially when one already exists, would create conflict between pedestrians and cyclists which pedestrians would find difficult. It was noted that residents would have the ability to make comments on the proposal during the Formal Consultation and that any comments would be considered prior to the final referendum.

90.5 Update on Community Board Meetings

The content of the report was noted. The Chairman advised that he was no longer able to attend the main meeting on 3 October 2023, so the Clerk was asked to send an invitation to all councillors.

90.6 Update from the Neighbourhood Policing Team

PCSO Angela O'Connell and PCSO Peter Pretty attended the meeting and provided the following update:

This month, burglaries have increased by three in Farnham Common, two in Burnham and two in Taplow. The Neighbourhood Policing Teams are carrying out targeted patrols in these locations and also giving out crime reduction advice at local events.

We have seen a decrease in theft from vehicles with none reported in the Farnhams area at the time of this report but one has subsequently been reported, one reported in Burnham and two in Taplow/Dorney.

The team are continuing to patrol the car parks at these locations and identifying vehicles with valuables on display and sending the owners a letter to remind them to keep out of sight.

This month we have had one reported theft of a motor vehicle in the Burnham area, none in Farnham Common and one reported for Taplow/Dorney.

This month we will be holding two 'Have your say' events for the local community to pop down and have a chat. We will also have a selection of crime reduction advice to give away. The dates are:

29 September between 10-12am at Burnham Library

30 September between 10-11am at Farnham Common Library.

Councillors were advised that complaints had been received regarding parking issues in Scott Close during drop off and pick up times at Farnham Common Infant School and these were being discussed with the school. In addition, councillors were updated that only one resident is talking to Cllr. Dhillon about the off-road bikes that had been causing issues at the bottom of Blackpond Lane with nothing now being reported to the Police and nothing being seen during patrols.

There was then a discussion regarding the Parish Council's Speedwatch activity and it was agreed that the Clerk would forward the results of each session to PCSO O'Connell for her records. Tony Birkett advised that from sessions held on Collinswood Road outside Millward Day Nursery, it was clear that drivers speed up as they approach the traffic lights at the junction with One Pin Lane and also advised that lorry drivers complain that the different speed limits along the A355 are confusing.

One councillor noted the break in at Sunrise Dry Cleaners but PCSO O'Connell was not aware of the incident. Another councillor raised motorbikes and nitrous oxide gas canisters being left in Stewarts Drive. PCSO O'Connell advised that residents should report the motorbikes if they are causing a nuisance but there was nothing the Police could do about the use of nitrous oxide gas as it is currently legal. It was also noted by a councillor that the Police had ticketed a vehicle parked on the zig zag lines outside Tesco Express on The Broadway. PCSO O'Connell confirmed that this is done when a police officer sees the vehicle and the driver is present. It was confirmed that the Police cannot ticket vehicles on double yellow lines but traffic wardens can ticket vehicles on zig zag lines and double yellow lines.

Finally, it was confirmed that our new PCSO, PCSO Pretty, was leaving with no replacement expected until January 2024. In the meantime, PCSO O'Connell would be working in the Farnhams.

The Chairman thanked the officers for attending the meeting and they left.

98.4 To note the letter received from Wellers Reece-Jones and update on steps taken

The receipt of a letter from Wellers Reece-Jones, acting for Clive Robinson, was noted.

A copy of the letter received was sent to the Buckinghamshire & Milton Keynes Association of Local Councils for advice. They recommended that the letter was sent to the Parish Council's insurers and that advice was sought from the Monitoring Officer at Buckinghamshire Council. Following this the Clerk forwarded the letter and accompanying email to the insurers and Tony Birkett had a telephone conversation with the Buckinghamshire & Milton Keynes Association of Local Councils and another with the Monitoring Officer. It was noted that Wellers Reece-Jones had also written to Buckinghamshire Council.

It was also noted that at the same time as the letter was sent to all parish councillors individually, an email was sent by Clive Robinson that parish councillors felt was threatening and inappropriate. Tony Birkett then offered to meet with Clive Robinson on behalf of parish councillors to talk about what the parish council could do to move forward and to separate legacy issues from current parish council matters. This offer was accepted and a meeting was held.

The Monitoring Officer provided the following advice:

- An announcement, in the public forum, that Clive Robinson is not banned and can hold any position within the Parish Council can go ahead.
- Any issues, complaints raised by Clive Robinson about present councillors, should be raised formally by him to the Monitoring Officer for a code of conduct review.
- Any concerns over financial matters, past or present, raised by Clive Robinson need to be raised by him with the Parish Council's auditors.
- Any pursuant of financial recompense/expenses by Clive Robinson needs to be reviewed by the Parish Council's insurers.
