Weakness identified

10. We have put in place arrangements for the effective IT and data management in accordance with proper practices during the year under review.

The website partially complies with Web Content Accessibility Guidelines 2.2 AA and the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (where applicable).

The website includes some of the published documentation as specified in the Freedom of Information Act 2000 and the Transparency code for smaller authorities (where applicable).

How the Parish Council will address the weakness

The Parish Council first sort quotes for developing a new, fully compliant website with regular testing in late 2025 and then additional quotes were sought in early 2026. Instructions were given to the successful supplier in May 2026 and development is underway with completion estimated by 30 September 2026.
